

FormScape Lite WYSIWYG features

Document Design made Easy

FormScape Designer provides a user friendly and simple to use environment. Your application output is dragged and dropped into your design. With logos, colour, fonts, lines, barcodes plus everything else you need just a click away, transforming your documents couldn't be easier. Advanced features such as auto pagination or dynamic headers and footers are trouble-free within the full document preview.

All this is possible without any customisation or need for new development within your business applications. Create, design and deliver all your personalised output with FormScape Lite.

FormScape Solutions for your Documents

FormScape Lite incorporates all the power of the larger FormScape solutions, providing you with industry leading document output management capabilities at an affordable price.

- Print, Fax and Email delivery
- WYSIWYG document designer
- Add colour graphics and multiple fonts
- Add mathematical calculations and charts

As your document output requirements increase, the FormScape family of products scales-up to meet your needs, providing you with peace of mind about your investment.

- Add an online document repository
- Manage approval processes
- Capture inbound documents

Runs on Microsoft Windows 2003 Server or higher.

About Bottomline Technologies

Bottomline Technologies (NASDAQ: EPAY) provides collaborative payment, invoice and document automation solutions to corporations, financial institutions and banks around the world. The company's solutions are used to streamline, automate and manage processes and transactions involving global payments, invoice approval, purchase-to-pay, collections, cash management and document process automation. Organizations trust these solutions to meet their needs for cost reduction, competitive differentiation and optimization of working capital. Headquartered in the United States, Bottomline also maintains offices in Europe and Asia-Pacific. For more information, visit www.bottomline.com.
